Re: United States v. Owens, et al.
S6 17 Cr. 506-04 (NSR)

SO ORDERED:

HON. NELSON S. ROMAN
UNITED STATES DISTRICT JUDGE

Dear Judge Roman:

This letter is respectfully submitted on behalf of the defendant Demetri Moseley, to request an adjournment of his sentencing, that is currently scheduled to take place before Your Honor on December 18, 2020. The adjournment is necessary because the current health crisis has made it impossible for counsel to meet in person with Mr. Moseley and consult with him concerning our sentencing submission. Although the MCC was opened for visiting for a brief period of time, counsel was not able to meet with Mr. Moseley. The MCC is now closed to all visitors for the foreseeable future and thus, I do not know when Ms. Sternheim and I will be able to meet with Mr. Moseley to prepare for his sentencing. Accordingly, it is respectfully requested that the sentencing be adjourned to a date in April or May convenient to the Court and the parties.

I have discussed the proposed adjournment with AUSA Maurene Comey and she advised me that the Government has no objection to an adjournment of the sentencing.

Thank you in advance for your consideration of this request.
